

THE SWEDISH-JORDANIAN BUSINESS NETWORK

The Swedish-Jordanian Business Network (SJBN) is an informal forum for dialogue and cooperation, with the aim to promote bilateral trade and investment between Sweden and Jordan. The Business Network is a non-profit, non-official, non-commercial and non-political network.

MEMBERSHIP

The Swedish-Jordanian Business Network is informal and inclusive and open for:

- Swedish companies based in Jordan.
- Jordanian representatives of Swedish companies active in the Jordanian market.
- Swedish companies planning to do business with or invest in Jordan.
- Jordanian companies with business and/or investments in Sweden.
- Swedish citizens residing in Jordan with a business interest in promoting Swedish-Jordanian contacts.

AIM AND OBJECTIVES:

The Swedish-Jordanian Business Network was established in 2022 to:

- Promote bilateral trade and investments between Sweden and Jordan.
- Provide an informal forum for dialogue and contacts between Swedish companies active in Jordan
- Organize meetings and trade promotion events with Swedish companies active in Jordan
- Promote informal dialogue with the Jordanian business community with the aim of identifying, supporting, and realizing business opportunities.
- Provide ideas and submit proposals for business promotion events to the Embassy and to Business Sweden for consideration.
